[Transcription of deposition of Sri
Subramanya Abhinava Sachidananda
Bharati Swamy of Swagunga matt
taken in presence of the Muzrai
superintendent at Swagunga matt.
on the 16th March 1892.]

I have asked for a loan from
Government. I want Rs 30,000/- . I was
installed as guru of the matt on
Saturday the 18th increase of Ploona of
Ashada, Viaya year. I completed my
twentieth year on 4th increase of Ploona
of Pushya of the year Khara. The matt
property which was for some years
under Government management,
was restored to my predecessor in

1885. So I am informed When I was
installed as Gurn, I was 15 years
old.

[Here follows the description and
details of debts.]

There are some bad characters
at this place, both of Sivachar
and brahmin caste. They get
up false documents and send
me notices. I am in great dread
to reside at this place (meaning
Sivagunga) It is my wish
that arrangements should be
made to keep me either at Mysore
or at Bangalore for 4 or 5 years
in view to enable me to make

good progress in education, and also matt's expenditure should be reduced.

I request that the foregoing facts may be brought to the notice of the Dewan Bhadur, and his orders obtained. The present management of the Matt and Temple Inam villages is not ⁱⁿ satisfactory condition, and there is therefore a large sum in arrears. We find it difficult to manage these villages. We therefore pray that Government may undertake the management and improve the condition of the Matt. These wishes should

be made known to the Dewan.

With regard to the temples on the
Sivagunga Hill, of which we hold
charge, I am unable to exercise
any supervision, being an ascetic
or sanyasi. The archik and other
service holders of the temple do not
perform their work properly. We
are unable to punish them. The
archika does not know even his
rudrayamandana, and the mantra
pushpa brahmins do not know
mantras at all. They do not
even regularly attend the temples.

It is mentioned in the Thasdik Patti that brahmins rendering temple service should get annually 23 pagodas. In lieu thereof, they are now unauthorisedly enjoying the Gangapur village which fetches an income of Rs 200/- . They do not pay even the local cess of this village. This village should be resumed for the temple and the amount of Thasdik should be paid to them in cash as laid down in the Thasdik Patti.

Sir,

Re loan to the
Dewan of the Swa-
ganga Matt

In reference to your No. 583st
dated 22nd March 1892 I have the
honor to send the following pre-
liminary report.

2. The Dewan of the Swaganga
Matt is indebted to the extent
of 30,000 Rs. and prays that the
Government may be pleased to
advance him that amount
to enable him to liquidate his
present debts. The Matt has
alienated villages and minor
Inams which are estimated
to yield an annual income
of 3,000 Rs. It has besides some

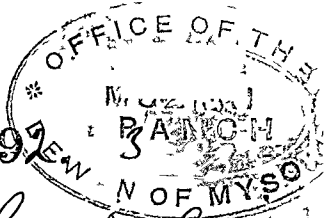

house property. The Gurm is willing to mortgage the above properties to the Government and transfer the management of the villages and other lands to it. He has decided on a visitation tour and solicits early orders. The first question to be settled is, whether the Government is prepared to advance 30000 Rs. now. I request orders on this point. If the Government is prepared, I shall proceed to satisfy myself, as to the worth and safety of the security and submit a further report.

3. The petition and other vernacular records are enclosed to be returned. I have the honor to be

Sir,

With reference to your letter no. 197
of the 23rd instant enquiring whether the
government will grant a loan of
Rs 30,000 to the Gurm of the Sivaganga matt
as requested by him on the mortgage
of the Luam villages belonging to the
matt, I am directed to observe that
the government may favourably
consider the Gurm's request for a loan
if the securities offered be adequate

and the arrangements proposed for its repayment are found satisfactory.

In the absence of full information on the subject which your letter under reply does not afford, Government can give no definite opinion. I am therefore to request that you will be good enough to submit a full and detailed report on the following points:—

- (1) What are the properties offered to be mortgaged and what is the annual income derived from each?
- (2) What would be the establishment charges, if the management of the estate belonging to the matt is

taken

taken over by the Government?

(3) On what conditions would you recommend the grant of the loan?

(4) What monthly allowance, the Government may be allowed for its current expenditure?

2. A list of creditors with the particulars of their claims should also be submitted, specifying therein the purpose for which these debts were contracted.

3. I am also to add that the report now called for may be submitted as early as practicable as there has been already much delay in reporting on

the matter

4. The enclosures of
your letter under reply are
returned for reference and

Abstract translation of the Amildar's
report to the Hukum No 396: —

I sent for Krishnasastri,
Munshi of the Matt who in my presence said
that the Swami was on tour and the agent
accompanied the Matt and ~~his~~ whereabouts
are not known to him. The agent did not
appear though time was granted to him.
It is not known where the Swami or his
Swami agent at present is. It is stated
that they are somewhere in Her Majesty's
territories. No action therefore can be
taken in the matter and it is not possible
to make a detailed report as required by
the above Hukum. While the Swami was
in his village, I went to him more than
once, but the latter did not produce proper
records and did not even answer the ~~yaad~~
sent to him. When these things are fully
considered it seems to me that the Swami
is not very anxious about the loan being
granted to him.
